

Purchasing criteria for undeveloped and developed sites

Location	Hamburg city and metropolitan area
Property type	Sites with existing properties, redevelopment sites, potential development sites
Designation in development plan	Residential, mixed-use and commercial
Note	Our services include securing planning permission – we are therefore also happy to receive offers for sites without planning permission.

Please send us detailed descriptions for a preliminary assessment. Please include the address, site map and photos. Your documents will, of course, be handled with the utmost confidentiality.
